“ WE are committed to exploring all options for a possible new office site as well as maximising the values from our landholdings. It is important to understand the value of this site and what interest there may be from potential buyers, but no formal decision to sell the site has yet been made.”

Paul Diviani, leader of East Devon District Council, on testing the market to ascertain their value of EDDC land at Heathpark in Honiton.

“ AFTER writing to the Highways Agency about this accident blackspot they have agreed to listen to concerns. There is great momentum and support for improving the safety and reliability of the A35. I am optimistic that the Highways Agency will see the very strong case for improving the safety of this junction.”

MP Neil Parrish on his efforts to get a meeting with the Highways Agency to improve the safety of the notorious A35 junction at Hunters Lodge, near Axminster.

“ WHEN I was chairman of governors I had a dream that we may do an NVQ in fire-fighting. There would have been plenty (huts) to practice on.”

SPORT

Vikings come out on top in derby

THE East Devon South-West Peninsula League division one derby game between **Sidmouth Town** and **Axminster Town** ended with the honours going to the Vikings who recorded a 2-0 win.

Axminster finished the game with 10 men after Leo Maguire was shown a straight red card in the 35th minute following a foul on Sidmouth winger Tony Cox, who could take no further part in the match.

The hosts, who had much the better of the opening 45, broke the deadlock five minutes later when Aaron Doble netted against his former club following good work from Alex Raistrick and Andy Isaac.

In a second-half of few chances Kieran Fayter Small added a second for Sidmouth with a crisp left-footed effort from the edge of the area.

Axminster entertain early leaders Exwick Villa at Colyton Grammar School on Saturday (3pm ko).

There was better news from Axminster Reserves who began their Devon & Exeter League Division Three campaign with a 1-0 win over Exmouth Amateurs courtesy of an Adam Whitehouse goal.

Next up for the Tigers is a Devon Senior Cup first round tie at Westex Rovers.

Good start for champions

FENITON continued their fine start to the new season with a 4-1 East Devon Cup first round victory over Wellington Town Res.

Reigning champions Fenny now turn their attention the Devon & Exeter Premier League and the visit of Thorverton on Saturday.

Hunters Lodge public meeting

MP NEIL Parish has invited concerned residents to a public meeting about the accident-prone part of A35 at Hunters Lodge.

The MP will gather people's views, which he will present at a forthcoming summit with the Highways Agency, Axminster Town Council and Uplyme Parish Council.

The public meeting will be on Monday September 16th, starting at 5pm in Axminster Guildhall.

Mr Parish said: "There has been a huge amount of public interest in the safety of this road after the tragic loss of life on the A35 and I think it only right and fair that residents are consulted and their views heard before we meet with the Highways Agency to make our case.

"With the public's support I am sure that the Highways Agency will respond urgently to the parish councils' call for improvements at this accident blackspot".

Axminster Town Council, Uplyme Parish Council and Mr Parish requested meeting with the Highways Agency after one accident claimed two lives in July this year.

HONITON

EDDC may sell land at Heathpark

EAST Devon District Council has decided to seek expressions of interest for its land at Heathpark in Honiton.

Council bosses stress that a decision to sell the land has not been made, saying they will just test the market.

The site in question houses the East Devon Business Centre (EDBC) and an adjoining plot previously occupied by waste collector SITA.

Council leader Paul Diviani said: "We are committed to exploring all options for a possible new office site as well as maximising the values from our landholdings.

One option has always been the sale of our Heathpark site alongside that of Knowle and Manstone Depot in Sidmouth and to use the money raised for a new, more efficient and modern headquarters.

"It is important to understand the value of this site and what interest there may be from potential buyers, but no formal decision to sell the site has yet been made."

Honiton appeared to be the favourite to house EDDC's planned new headquarters, but more locations are now in the running.

From the editor's chair No more deaths at Hunters

AS long as I have been a reporter there have been calls for road safety improvements at the notorious Hunters Lodge junction on the A35.

The lack of fatalities at this dangerous crossroads was invariably used as an excuse for not improving the junction.

But earlier this summer two died after a two-car accident at Hunters Lodge.

Town mayor Jeremy Walden succinctly summed up the situation at a council meeting last month when he said: "The Highways Agency attitude is that someone has to die. Now, someone has died."

MP Neil Parrish has called for a meeting with The Highways Agency and has also organised a public meeting in Axminster Guildhall at 5 pm on Monday (September 16th).

Mr Parrish says he is "optimistic" about the Highways Agency will see the "very strong case" for improving safety at the junction but wants to hear that meeting takes place.

Here is the chance for the people of Axminster and district, particularly those who are frequent users of the junction, to put forward their views.

These are difficult times for county councils with severe restrictions on budgets, but it to be hoped that funding can be secured by Highways to ensure that any improvements are signifi-

cant and lasting and not just confined to new signs and road markings, as was suggested at a meeting Mr Parrish had with the Highways Agency a year ago.

The aim has to be - no more deaths at Hunters Lodge.

♦ **YOU**"VE got to hand it to Seaton. They are having a real go and promoting the town. Last week the artisan market was launched and looks like being a success, and this week the resort was invaded by towns criers from around the region, making a very colourful spectacle.

Like many small towns in the West Country, Seaton has been through some very difficult times. The argument still rages over whether Tesco has been good for the town or ruined the main shopping area, but there are certainly signs that Seaton is on the up again.

With more people choosing to holiday in this country rather than going abroad, spawning that awful expression "staycation", events tourism is emerging as a lifeline for many West Country resorts.

The initiatives being introduced by the Town Development Team and local traders are to be encouraged and supported.

COLYTON

Carnival off to a 'grand' start

COLYTON Carnival, the most successful in East Devon, got off to a "grand" start on Saturday when it was announced that the carnival queen and princess competition had raised more than £1,232.

Billed as "East Devon's leading carnival" and certainly the most successful financially, the town is geared up for a week-long programme of events culminating in the grand carnival procession on Saturday.

Over the years Colyton Carnival has raised tens of thousands of pounds for local good causes and this year their main aim is to pay for a storage shed at the Peace Memorial playing field and storage for carnival equipment.

Fourteen local organisations are also represented on the carnival committee and each one of those will also benefit financially for the carnival profits.

Carnival Week got off to a start with a coffee morning and table top sale in the Town Hall organised by Colyton St John Ambulance Fellowship and the ever-popular shop window competition got underway.

A heavy downpour on Saturday afternoon forced the organisers to change the arrangements for the crowning ceremony at the last moment. It was intended that the Carnival Queen Fenella Clode, Princess Louise Hartnell and attendant Jessica Metson would be crowned on a trailer on the playing field but the ceremony was switched to the balcony of the pavilion because of the inclement weather.

The crowd was welcomed by joint carnival chairman Steve Real who announced that Carnival Queen Fenella had raised £306.25, Princess Louise £740 and attendant Jessica £186, making a total of £1,232.25, an excellent start to carnival week. Mr Real thanked them for working so hard.

The royal party was crowned by Colyton Town Crier David Wenn and last year's Carnival Queen, Courtney Newton, presented cups to the girls. Posies were presented by Colyton Brownies.

Entertainment for the rest of the afternoon and evening included children's sports, a barbecue organised by Colyton Scout Group and a band in the youth club.

SIDMOUTH

Sir Bradley is coming to town

OLYMPIC champion and last year's winner of the Tour de France, Sir Bradley Wiggins, will lead Team Sky in the Tour of Britain - which comes to Sidmouth on September 20th.

Stage six of the country's premier cycling event begins in Sidmouth and will cover 85 miles of Devon countryside before ending with a climb in Haytor on Dartmoor.

Sir Bradley said last month that he will leave road racing at the end of next season and return to the track to pursue another Olympic medal in 2016.

He is joined in Team Sky's Tour of Britain squad by Ian Stannard, Josh Edmondson, Bernhard Eisel, Mathew Hayman and David Lopez.

Devon County Council (DCC) have released a Tour of Britain events calendar to mark the occasion.

County councillor Stuart Hughes said: "We're always proud to welcome he tour. It's a prestigious event and I'm sure we'll see hundreds of thousands of people along the route once again.

"Not only do you get to see Britain's biggest cycle race and cheer on some of the best professional cyclists in the world, but there is plenty of other entertainment and things to do for all the family."

OTTERY ST MARY

School opens £2m extension

THE KING'S School in Ottery has created extra learning space by building two new extensions at a total cost of £2million.

The extensions were formally opened on Friday, September 6th by governor and town councillor Robin Mitchell, who entertained the assembled crowd with tales from his 60-year involvement with the school.

Headteacher Faith Jarrett said: "He has been a major part of the school for more years than I can remember."

Mr Mitchell replied: "I came here in 1953 and was never any good at maths."

Mr Mitchell also recalled being sent home from the school once for wearing a yellow garment.

The two extensions provide the school with 10 new classrooms and toilet facilities.

They replace a string of dilapidated huts, and Mr Mitchell said: "I remember the 'wonderful' creation of huts we had.

"When I was chairman of governors I had a dream that we may do an NVQ in firefighting.

"There would have been plenty (huts) to practice on.

"I hope the extensions will reflect the quality of what goes on in this place."

Second exhibition at The Bomb Shelter set to open

THE second of two linked exhibitions at The Bomb Shelter in Beer, which features the botanical paintings of Rosemary Sargent, takes place from Saturday 14th to Saturday, September 21st.

Roe has always had a love of flowers and been particularly interested in wild flowers.

When she had the opportunity to create her own garden from scratch she was able to indulge this interest, and is now able to use all these flowers for her paintings.

Most of her plants have been grown from collected seed gathered on holidays or from friends.

Through her painting Roe tries to convey what flowers means to her.

Roe explains: "I use watercolour because I love its translucency and the delicacy which is achievable with it."

"I am very aware of the texture and pattern within flowers and the subtlety of colour and tone."

Roe has exhibited in various galleries over the South West and later this year will be exhibiting at Rosemoor - the Royal Horticulture Society Garden in North Devon.

She is very happy to

undertake commissions.

The exhibition, located off Fore Street, Beer, between Jimmy Green's Surf Shop and the Seafood Platter, is open daily from 10am to 5pm.

Further details are available from rosemary.sargent@btinternet.com or 01823 351864

● THE first of the two exhibitions is still on display until Thursday, September 12th, where Hilary Arnold is showing

some of her more recent paintings together with a selection of her sculptures.

They are mainly still life and landscape although perhaps not necessarily recognisable as such.

Abstraction and colour is the main theme and the present preoccupation of the artist, so the exhibition will be a pleasure for the senses.

Hilary lives in Seaton, and was born and brought up in the town,

but has lived variously in England during the intervening years, returning permanently seven years ago.

Despite many other careers paths, painting and sculpture has always been an important part of her life.

The exhibition is open from 10am to 5pm daily and admission is free.

Call 01297 20064 for further information; further examples of Hilary's work can be found at hilaryart.jalbum.net

Peter set for two big leaps

FORMER TEACHER SET TO SKYDIVE AND VOLUNTEER IN AFRICA

A NEWLY retired Maths teacher will do a skydive before volunteering in Africa for two years.

Peter Tyrer, who lives in Seaton, has retired from Exeter School but has no plans to put his feet up.

In November he is off to Mozambique for two years of volunteering with Voluntary Service Overseas (VSO).

He's been tasked with trying to increase access to education for marginalised children, especially girls.

His son, Dr Matthew Tyrer, will join him for the tandem skydive at Dukeswell on Sunday, September 15th.

The skydive is in aid of VSO, and Peter said: "I know I still have contributions to make, and look forward to helping in education in developing countries."

"I have never tried skydiving, and have become more nervous of heights as I have grown older, so please encourage me to hurl myself from 15,000ft by donating to VSO."

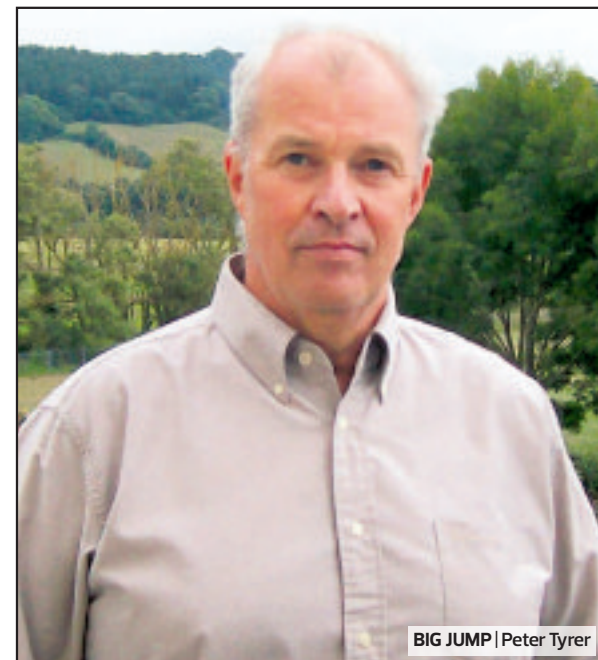

"All donations will go in full to VSO, as I will be paying for the skydive myself."

Going to Mozambique also means the tables have been turned

on the retired teacher, who is now a student learning Portuguese - the language spoken in Mozambique.

He said: "I've been hammering away for three weeks now on a course."

Anyone wishing to sponsor his skydive can do so online at www.justgiving.com/petertyrer

Deadline approaching for Working Together day

THE deadline to book places for East Devon District Council's free annual event for voluntary organisations and community groups, named Working Together, is September 20th.

The conference is being held on Friday, October 11th and runs from 9.30am to 2.30pm at EDDC's Knowle offices in Sidmouth.

Representatives of voluntary organisations, community groups and town and parish councils are welcome to come along. The gathering aims to bring local agencies together to improve communications between the voluntary and statutory sectors.

During the day, attendees will find out more about significant family, health and well-being reforms that are happening nationwide, with particular reference to East Devon.

Guest speakers include the chairman of Devon County Council's Health and Wellbeing Board, Councillor Andrea Davis. Delegates will also have an opportunity to find out information useful for making grant applications and hear from a local community organisation that works closely with local families.

People are also invited to bring with them items of non-perishable food such as packets of dried food or tinned goods, which will be collected by local foodbanks and later handed out to needy families in the area.

Invitations for the event have already been sent to groups that attended last year, but there are still a few places left. Places are limited to one per organisation and must be booked in advance.

To find out more or book a place, call Jamie Buckley, community engagement and funding officer, on 01395 517569 with name and contact details and the name of the organisation being represented before Friday, September 20th.

Seaton Air Ambulance Week raises £9,500

SEATON'S Devon Air Ambulance Week was held for the fourth time as an event in its own right this year – and it's getting bigger each time.

With the benefit of a good summer – compared to the past two years – the eight day festival

brought fun and entertainment to residents and visitors alike, raising £9,500 for the Devon Air Ambulance Trust in the process.

As in other years over 100 people volunteered to perform, arrange and enter the competitions, as well as

take part in the car and bike show.

Other volunteers helped collect money in the Devon Air Ambulance buckets or sell DAAT raffle tickets.

The organisers wish to thank everyone who helped for their support, hard work and generosity.

Seaton Air Ambulance Week in 2014 takes place from July 27th to August 3rd.

The picture shows the supporters group and friends presenting their cheque to DAAT.

Volunteers needed for memory café

HAVE you got two hours to spare a month?

If so, Axminster Memory Café would love to hear from you. The café serves those with memory problems and conditions like dementia – and is looking for volunteers to help on the third Monday of each month between 2.30pm – 4.30pm.

The work would involve chatting to visitors, helping with activities and serving refreshments.

Committee member Margaret Spencer-Brown said: "We are a friendly and fun group, so why not come along and meet us?"

"We also need a co-ordinator to organise events and run the monthly meetings. Anyone interested is asked to call Peter Smart on 01297 35144 or Margaret Spencer-Brown on 01297 35838 for more information.

Blooms in church

AXMINSTER Parish Church Flower Festival will run from Thursday, September 19th, up to and including Sunday, September 22nd.

The theme this year is Flowers in Verse, and proceeds from the event will go towards the upkeep of the Minster.

Entry will be free, and programmes will be 50 pence each.

A preview, with wine and nibbles, will start at 7.30pm on Wednesday September 18th. Tickets for the preview are £5 each, available from Archway Bookshop.

Patients will have to be patient

AXMINSTER Medical Practice will only see patients with acute problems for short period later this month.

Patients are asked to be patient when the practice upgrades its clinical records system.

The practice was one of the first in Devon to computerise records, which was done in 1990. But the system introduced more than 20 years ago has been deemed out-of-date and a decision to bring in a new and completely different one has been made.

All practice staff will need training and then time to get up to speed on the new system.

By Anders Larsson

anders@tindlenews.co.uk

Practice manager Linda Coombs said: "It is a major transition that will be to patients' benefit in the end. But we will have less capacity when training staff and could then be a little slower when we start the new system.

"We are issuing two months' worth of prescriptions in the dispensary to cover."

The practice has about 11,100 patients on its books and is served by eight partner GPs,

three salaried GPs plus a range of other staff members, taking the total workforce past the 50-mark.

Implementation of the new clinical records system will start on Wednesday, September 18th, and the plan is for it to go live a week later on Wednesday, September 25th.

Doctors have stressed that the practice will have normal opening hours throughout and that anybody who is ill will be seen. There will, however, be some changes during the implementation of the new system.

In a letter to patients, GPs at the practice

wrote: "From September 19th-27th, we will be seeing emergency/acute problems only, which will only be bookable on the day.

"From September 30th onwards you can book as normal, but please bear in mind that we may have a bit of a backlog to clear.

"We will have extra GPs in to help with this, and would be grateful if you would consider seeing one of them if the wait to see your own GP is too long.

"Thank you in advance for your patience and understanding."

■ ALTITUDE: Mark Woodward (Green Directions), Stefanie Smith, Steve Lamb (both River Cottage) and Steve Gladding (GB diving coach).

High diving for River Cottage duo

TWO members of staff from River Cottage HQ travelled from Axminster to Sheffield to spend a day with the GB international diving team.

River Cottage host ambassador Steve Lamb and chef tutor Stefanie Smith made the reciprocal visit and were, quite literally, thrown in at the deep end.

The trip followed a fact-finding visit from GB Coach Steve Gladding and his squad to River Cottage HQ in Axminster where Stefanie and fellow tutor Gary Richmond created tasty, nutritious meals suitable for athletes.

In Sheffield, Steve and Stefanie learnt basic diving techniques in the dry area before taking to the water at GB training centre Ponds Forge.

Steve said: "Working with the GB team was both exhilarating and daunting. With the guidance of coach Gladding, I found myself able to fall through space - with a modicum of grace - from the top of the 10-metre platform into the pool below.

"I can say that the future of our partnership together, moving forward, will be less of a leap of faith due to their commitment to excellence."

The trip started at Sheffield-based Green Directions, an eco-friendly conference venue owned by Mark Woodward, whose son Freddie is a junior GB international diver.

Mark explained: "Inspired by our experience at River Cottage, the team returned to Sheffield and, with the help of the divers'

parents, we planted a variety of seeds and have since nurtured and harvested our own vegetables.

"We are experiencing the difference that this is having on these young athletes, in both the nutritional benefits they are receiving and in their understanding of where this food is coming from and knowing that they have grown it."

Stefanie commented: "What an incredible and exhilarating day we had with Green Directions and with the GB diving team.

"I truly found Green Directions immensely inspirational in giving the young divers the opportunity to see exactly the provenance of where the food that fuels their performance comes from."

Getting to grips with waste

FOOD FOR THOUGHT: Sarah Connors and some of the pupils discuss their findings

A GROUP of pupils at Axminster Primary School conducted a waste audit, reaching a recycling and composting rate of 39 per cent.

The audit involved 21.5 kilograms of school waste from the day before. Children got to grips with refuse from places like the playground, classrooms, the kitchen and toilets.

Wearing protective clothing they weighed and sorted the waste before the statistics were analysed.

The recycling and composting rate was revealed by project leader Sarah Connors of Resource Futures, a company working with Devon County Council to provide waste education and awareness in schools.

Tool team on tour again

MEMBERS of Axminster Tool Centre's (ATC) cycling team have returned from yet another strenuous Tour de France adventure.

After taking on the Vendée section of the tour two years ago, the team returned to have a go at one of the most demanding of climbs - Col Du Tourmalet in the Pyrenees. The distance of 19 kilometres may not sound too tough, but starting at an altitude of 711 metres, the finishing line is at 2,115 m - making it an eye-watering elevation of more than 1,400 metres.

ATC spokesperson Jacqueline Hunt said: "Training has been constant from morning, lunch times, evening and weekends as well as the usual charity rides the team enjoys so much.

"With previous challenges of charity rides as well as individual achievements of John O'Groats to Lands End, running London Marathons and various other events team members were looking for a fresh challenge."

This latest journey was devised by ATC specialist sales and servicing manager Laurie Forino whose ambition was to ride up the Tourmalet before he reached the dizzy heights of 50 years of age. With just a few months remaining, it was agreed that this would be the year to attempt it and also combine the trip with a chance to watch the elite cyclists nearby.

The team stayed in Luz St Sauveur at the base of the Tourmalet which was hit by terrible floods a few weeks ago because of rapid snow melt, wiping out the very roads the team were intending to use to reach the summit.

Not to be deterred it simply meant the team had to tackle the climb from the east side instead.

Mr Forino commented: "The enthusiasm within the team for their cycling has been huge, with ages ranging from just 19 to the oldest being 65.

"We all enjoy our cycling and the adventures it brings, whether taking part or watching from the sidelines. Age is no divide and while on the road all look out for each other."

Larry wants to pass on his special dancing skills

A NATIVE American enthusiast from Seaton is hoping to pass on his expertise to keen dancers in the area.

Larry Garner has spent the past 30 years building up a hobby and interest in the Native American way of life, through history up to the modern day.

During his time researching, Larry became deeply involved in the Native American dances and costumes, one of which is the hoop dance— one of the most spectacular and colourful dances from the culture.

The dance is performed with many hoops, which you place around the body to create different shapes and has taken Larry all over the UK, even leading him to perform in the big top and at major festivals.

During his time as a dancer, Larry has been included in a short film to promote Bristol singer, Alan Britton. He has appeared on TV and has even managed to make national news when he dressed as an Indian on horseback and dragged a man to church for his wedding.

Larry has also produced all his costumes by hand,

with authentic embroidery and beading which has sometimes taken him years to complete.

With many years of knowledge and happy memories behind him, Larry now hopes to inspire local people in Seaton and the surrounding area to consider taking up and learning the dance.

He said: "I would like to pass on the dance to anyone who thinks they could learn. It takes a lot of practice and patience and it is a fantastic way to keep fit, as sometimes you can be dancing for up to eight or ten minutes without stopping."

"It would be nice to have a group of hoop dancers all doing their own routine to the drum I have."

"I have recently joined the drum circle in Seaton and did a demo for them with the help of some of the drummers in the group, which was a great change from practising at home."

"The dance is really fun and has always been an attraction for crowds, so I hope others will come forward and show some interest."

If anyone is interested in finding out more about the Native American Hoop Dance, email Larry at msimmonds23@btinternet.com

Collection volunteers wanted

DIABETES UK we are looking for enthusiastic volunteers in Devon to help collect money at their local Tesco store.

About 15 volunteers are needed to support the Big Collection Weekend taking place at the store in Seaton from October 4th-6th.

The collection weekend aims to raise £400,000 to support the three million people living with diabetes in the UK and help find the further 850,000 more who remain undiagnosed with Type 2.

The weekend is being organised as part of a major national charity partnership between Diabetes UK and Tesco.

The partnership aims to support the millions of people who have to live with diabetes every day, help hundreds of thousands of people take action to reduce their risk of Type 2 diabetes and fund investment into ground-breaking research for a Type 1 vaccine.

Volunteers can select three hour shifts, running from 9am-6pm on October 4th and 5th and 10am-4pm on October 6th.

The Big Collection Weekend in Tesco stores is a great way to inform customers about diabetes while raising money for Diabetes UK.

But it is only possible with the support of people who give up their time

- you will be making a real difference to people with diabetes or those at risk of developing it.

If you are interested in volunteering for the Big Collection weekend, contact the South West office on 01823 448260 or email bigcollection@diabetes.org.uk

Air ambulance week boost

SEATON'S Devon Air Ambulance Week organisers were given a £3,000 boost from a Seaton artist. The cheque was presented to Devon Air Ambulance trustee, Bill Price, by Ursula Pratt MBE. The total was raised through sales of paintings at exhibitions held earlier in the year in the Station Gallery, housed in the gardens of Pecorama in Beer, and at Kennaway House, Sidmouth. Mrs Pratt thanked all the artists for the high quality of work exhibited, visitors supporting the charity and especially her close friends who helped set up the two shows. Mrs Pratt is pictured presenting the cheque with supporters Colin Pearce, Brian Pugh, Bill Price, Brian Butler, Don Hansford and Janine Barradale. Also see page 5

Solution to parking problem needed

CONCERNS over limited car parking in Seaton have been expressed by Seaton's town councillors who say that they must find a solution before the new discovery centre is built.

Councillor Tony Woodman said that East Devon District Council have no

plans for alternative car parking in Seaton when the new discovery centre is built and that with the recent good weather, parking numbers in district council car parks has more than tripled.

Councillor Woodman said that after looking around the town, he believed

that the coach park situated opposite the tramway could be considered as an extra car park; a coach drop area could be moved to along Fisherman's Gap where there was 'adequate space without stopping the traffic flow'.

Councillor Gaynor Sedgwick said

that whilst logistics show that up to 50 cars could potentially fit into the coach park, the first thing visitors arriving by coach want to do is find a toilet and they would have to walk all the way back to near the coach park site to use the public amenities.

She added: "The town council cannot keep discussing the potential worries for parking in Seaton in regards to the discovery centre and we can't keep complaining that there won't be enough spaces. We must produce ideas. If we want to increase the number of visitors coming to our town we need to come up with solutions."

Councillor John Meakin disagreed:

"The problem I have is that these coaches cannot merely drop off their visitors, they have got to have somewhere to park up, otherwise they just won't be obliged to go to Seaton."

"Until we find a suitable alternative for coaches to go, we cannot use the coach park as extra parking otherwise we risk driving buses away."

Councillors heard that from May onwards for the summer season, an average of two or three buses arrive to the coach park, with up to six or seven during busier days.

Councillor Mark Fisher suggested that the council could begin discussions with local bus depot, Axe Valley Mini

Travel (AVMT), who during the day may have space for coaches to park whilst their buses are in operation.

Councillor Peter Burrows also commented suggesting that they could look at extra parking or overspill provisions on the western side of the Underfleet.

Councillor Sharon Bruce said that the council should come up with solutions as soon as possible. She said that the coach park is underused and that the council must look at their resources in the town and maximise the use of these resources.

Councillors will investigate the proposed ideas further and will be in discussion with the discovery centre over the ideas for overspill parking.

Gardens come alive for Mad Hatter's party

SEATON'S Voice staged their Mad Hatter's Tea Party in Windsor Gardens last month.

The group went to town for the event with brightly coloured fancy dress outfits, a giant Mad Hatter's cake, bunting and tea party style seating.

Visitors also arrived in fancy dress with competi-

tions for the best costume and hat. Guests helped themselves to cups of tea, sandwiches and sweet treats.

There was a raffle and other games in the gardens and lots of vintage china crockery which was donated by members of the local community.

Sun shines through the rain at street fayre

■ RELAXING: A giant deckchair proved very popular

■ PARADE: Majorettes paraded through the village as part of the opening procession

CHARDSTOCK Street Fayre goers weren't deterred by the rain as approximately 2,000 people attended, a figure on par with previous years.

Fayre secretary Sarah Williamson estimated that takings were in the region of £6,300, slightly up on last year.

The final figure is yet to be announced, but she said: "Takings are slightly up and expenses are slightly lower this year, which is really good - and we didn't get too rained on."

Fayre president Jonathan Milford open the fayre at 11am.

The main beneficiaries from this year's fayre are The Friends of St Andrew's Primary School and The Friends of St Andrews Church.

Rain alarm gets the go ahead

AN early-warning flood alarm for Beer has been given the backing of Beer Parish Council.

The Environment Agency has presented plans to install and manage a rain alarm at the top of Paizen Lane on the west side of Beer to help combat the threat of flash floods.

Councillor Eric Cozens explained that the rationale from the agency was to not only help combat the threat of flooding but also to tackle the increasing problem of home owners struggling to get insurance cover once they had suffered water damage.

"As far as the Environment Agency is concerned the brook in Beer is regarded as a river so that is why they are interested in us," said Councillor Cozens.

"This is part of a greater, massive project for them and this is why they are coming to Beer."

"In the past floods in Beer have been flash floods following heavy rain and then some other local factor, like five years ago with the old cemetery."

Councillor Darren Clinch and chairman Martin Richards both expressed the opinion that, because of the sudden nature of flooding in the village, by the time any warning was received the danger is likely to have come and gone.

by Kevin Fahey

"I find it is best to listen to the weather warnings from the Met Office," said Councillor Clinch.

The equipment at the top of Paizen Lane would measure

rainfall and then trigger a warning against possible flood threat.

The cost of installing the equipment and its maintenance for the first two years would be met by the Environment Agency while permission would be needed from Clinton Devon Es-

tates to install the equipment on their land.

"It is effectively free to us for the first two years so it is a win-win situation and low risk," added Cozens.

"After that there is a maintenance charge but most of that is

labour costs for the Environment Agency but it is possible that could be done within the council."

On that basis the council gave the scheme its backing and will await further details from the Environment Agency.

Villagers turnout in force to back pub buyout plans

MORE than 100 villagers unanimously backed plans for a community buyout of The King's Arms in Stockland.

The backing was given during a packed meeting on Tuesday, August 27th.

The pub is currently closed but villagers hope to buy the building and run a co-operative pub.

As part of that process, Stockland Community Pub Group (SCPG) was formed when the parish council met in August to take the project forward.

The building is reported to be on the market for £800,000 but the building's owner, Horatio Properties Guernsey Ltd., cannot offer it to any other buyer than the community group until a moratorium period ends on February 9th next year.

This is because Stockland Parish Council was successful in applying for Asset of Community Value for the building through new legislation.

SCPG member Martin Gundry said after the August meeting: "I'm delighted at the unanimous mandate from the meeting to proceed with plans for a community buy-out."

His fellow SCPG member Cathy Gardner said the group hopes to "work positively" with the building's owner, so stressed it should not be seen as a fight between the two.

By Anders Larsson
anders@tindlesnews.co.uk

A community benefit society will be formed to prepare an offer and to take on ownership of the pub if the bid is successful.

The minimum investment is £100 and the maximum is £20,000 per person. Each shareholder will have one vote, no matter how many shares they buy.

It is hoped that many locals will come forward with pledges as a guide to how much can be raised.

Charity funding may be sought to fill any gap and donations are also welcome. Share ownership will be open to all, so anyone who is interested in The King's Arms can help to keep the pub alive.

More information can be found online at www.stockland.org.uk/scpg

An SCPG spokesperson added: "According to The Pub is the Hub, who sent their representative to the meeting, there are now 40 pubs communally owned across the country - with a similar number in the pipeline."

"This is an exciting way to keep important country pubs alive into another century."

Agricultural vehicle damaged in fire

AN agricultural telescopic handler vehicle was badly damaged by fire at Birch Oak Farm, Yarcombe.

Firefighters from Honiton were called just after 2.30pm on Wednesday, August 28th and a spokesperson for the fire and rescue service said:

"One appliance was mobilised to reports of a fire in an agricultural telehandler.

"On arrival crews found the vehicle to be well alight in an open area. The vehicle was severely damaged by fire and the cause of the fire was accidental."

Stockland choir set for launch

COMMUNITY choir Stockland Voices will have its first session on Wednesday, September 18th from 7.30pm-9pm in the village hall.

The choir is open to everyone and the first session is free.

Stockland Voices will be led by Pete Linnett, who also leads Lyme Voices and Langport Community Choir.

He said: "The emphasis in this group will be on enjoying singing together.

"There are no auditions or solos and everyone is welcome.

"If you've never sung in a group before, you'll be delighted to find that you can really enjoy singing together in four-part harmony.

"Sessions start with a warm-up and simpler short song.

"The first half-term will focus on songs we can pick up in a session or two.

"You can expect a wide variety of music in Stockland Voices, drawing on pop, gospel, South African and other music from around the world."

You can just turn up, or phone Pete on 01297 445078 or email petelinnett@naturalvoice.net for more information.

Wilmington lad enjoys pass out parade and wedding in two days

A YOUNG Wilmington man had a hectic couple of days enjoying his army pass out parade and wedding.

Ryan Braunton-Turner, 20, took part in a pass out parade at Catterick on Friday, August 16th and got married to Yazmin Perham in Widworthy the following day.

The wedding was extra special as it was the first time the church bells had rung out in 56 years, causing quite a lot of excitement in the village.

Bridesmaids were Zoe Braunton-Turner, Becky Male, Lisa Huntley and Jade Emmett.

Corban Beckett was the ring bearer, Glynn Braunton-Turner was the best man, Bethany Parsons was flower girl and James Thompson was the usher.

But there was no honeymoon as Ryan had to be back at Catterick the day after his wedding.

Ryan's mum Helen said: "It was a really special day to see him pass out after weeks of hard training.

"When he enrolled in February, 58 recruits joined and on his pass out parade there were only 28 left.

"He is going to 2 Rifles in Northern Ireland in mid-September to start his army career.

"They were married at Widworthy Church. We were told that this was the first time that the

church bells had rung for 56 years, so there was great excitement in the village.

"His brother Glynn, who is in the army in Germany, was over for the pass out parade and wedding. We had to fit the wedding in while Glynn was over and we

knew Ryan would be back for the weekend after his pass out parade. Hectic few days but well worth it!"

Yazmin, who is from Axminster, will join her husband in Northern Ireland in late October or early November.

Ryan became a familiar

face around the local area in 2012 as an official torch bearer when the London 2012 Olympic Torch Relay passed through Minehead.

He then paid many visits to schools and clubs in Axe Valley to show the torch and talk about the experience.

High standard at Musbury show

MUSBURY hosted another successful flower show this year, producing lots of high quality entries particularly in the photography and craft sections.

The judges had an extremely difficult task trying to decide on winners in each category.

The number of visitors was up on last year and the organising committee are grateful to everyone for entering.

Winners (pictured) were as follows:

Vegetable Cup - David Antell; Flower Cup - Michael Pritchard;

Flower Arrangement Cup - Brenda Wheatley; Onion Cup - Paul Tipping; Fun Vegetable Cup

- John Warren; Junior cup - Alisha Cooper; Photography Cup - Katarina Sobek; Craft

Cup - Louise Fowler; Home Produce Cup - Georgie Kessler; Show Cup - Michael Pritchard

Probus Club learns about history of Holyford Woods

HOLYFORD Woods - the very name conjures up a sense of mystery, yet it derives from the Saxon as mentioned in a document of 1082.

This and many other facts were divulged to members of Axminster Probus Club at their September meeting by Colin Pady, a farmer and passionate supporter of the woods.

For centuries the ancient woodland of 65 acres, near Colyford, was divided up between tenants who used the area for coppicing and for pannage. Hazel was used for wattle framing and oak bark for tanning while alder was used for clogs.

Eventually the wood began to suffer from neglect until such time as the Water Board decided to investigate the possibility of using the valley as a reservoir.

The geology of the area prevented that use, although there had earlier been an alternative plan to pipe water from a spring to Seaton Water Tower though this had ceased by 1990.

Meanwhile, the Water Board planted 14 acres of Douglas Fir and Spruce on land once used for grazing.

The changing use and fortunes of the

woods alarmed local people who regarded it as an amenity and efforts were made to purchase by fundraising and available grants so that, by 2002, agreement was reached to buy for the sum of £56,000.

East Devon District Council is titular owner but has leased the land to the local group who manage and maintain it with assistance from the local authority.

The alien fir trees have been felled, save for two acres, and left for natural regeneration with paths and steps installed for wider enjoyment in addition to the public footpath running through.

A haven for wildlife, it is now a favourite spot for families and a source of inspiration for schools - all thanks to the efforts of a devoted group of people and the goodwill of so many who donated most of the funds for the purchase.

Axminster Probus Club for retired and semi-retired business and professional men meets at the Kilminster Cafe, Bistro & Motel on the A35 Gammons Hill on the first Tuesday of each month. For further information ring 01460 220528.

Dartmoor scene for art society

A GREAT rock artist, who was not Mick Jagger but actually Mike McDonald, demonstrated to the Seaton Arts Society how to paint a scene from the magnificent scenery around the Dartmoor tors, using methods gleaned from both a man referred to as "FJ", who was an artist in Victorian Exeter, and from Michael Morgan, a local well-known water-colourist.

Mike started with a light sketch made in situ, and proceeded to add gesso to the rocks and foreground, adding texture and form.

This can take a little while to dry, so Mike helped it along using some light hair-drying.

He then washed over the whole of the heavyweight paper with a hake brush and colours of gold, blue and grey.

While working he recommended a visit to the RAMM museum in Exeter where there is a good exhibition of the Widgeys, father and son, popular in Victorian times.

After a cup of tea he returned to strengthen up all the foreground by a judicious

application of a mixture of acrylic and watercolours.

This method allows multiple layers of colours to be applied, resulting in a picture with more strength and body than many water-colours.

The assembled company thanked him warmly as he kindly donated the picture to the society.

The group will meet again on October 7th for an interactive session with Mike Beach. All visitors will be made welcome.

Plenty going on at Sid Valley Rotary Club

Sid Valley Rotary Club's current President, Judith Stephens, presented a cheque for £1,000 to Sidmouth's new Devon Air Ambulance Trust shop.

A further £1,000 each will also be given to Children's Hospice South West and to Sidmouth Hospicecare.

The club held a very successful summer fayre, raising well in excess of £4,000 for various charities in the East Devon area.

Although meetings are held in Sidford, at the Blue Ball Inn, several members of Sid Valley Rotary Club are from Honiton and membership continues to grow with 25 per cent of club members being women.

Because of the high proportion of members who work, both locally and further afield, evening meetings are a necessity.

President Judith Stephens said: "I think the appeal of our club lies in the variety of things we do. We serve our community in East Devon in all sorts of ways but we are also a very social club and many of our members are involved in sports, sailing, cycling, golf and walking."

"One member is shortly to cycle from John O'Groats to Lands End and another is currently involved in organising a 2,500 mile cycle ride

around the independent lifeboat stations in Britain, this time raising money to fund a second boat for Sidmouth Inshore Rescue which covers a coastal area not readily served by RNLI.

"We are currently planning our annual race night and also a return visit by the French Rotary Club of Brest, with which Sid Valley is twinned."

"One of our Honiton members runs an annual Gardeners Question Time event with a panel including well-known television gardening experts. We have two speaker evenings each month and these are fully booked right through to April 2014."

Rotary also runs an East Devon Raffle. This is intended to help societies or organisations needing to raise funds, to have raffle tickets printed with the name of their organisation, free of charge.

The money from the sale of these tickets goes to the organisation with only 10 per cent going to Rotary to provide the prizes. Rotary itself benefits in no way at all.

Will green wedge become another Seaton Heights?

■ TO the good people of Seaton who campaigned tirelessly and successfully against the development of Seaton Heights:

The proposed holiday homes, although increasing the footfall in Seaton, were deemed to spoil the main gateway into Seaton and thus detract from the expectation of the town. Twice you did this and the result has been that Seaton Heights is now a derelict eyesore and has been for years.

You could not have made the approach to Seaton worse if you had tried.

Now you are once again campaigning to have the proposed development at the green wedge thrown out. This development would increase the footfall in

Seaton considerably, which must be good for our traders.

I understand that Seaton and Colyford do not want to be joined but we are not unique, every large town in the country comprises several incorporated villages and development will happen no matter what we want.

Consider what the alternative to this proposal is and what will happen if you are again successful and halt the development. Will the green wedge also become another derelict eyesore and completely ruin another gateway into our picturesque town?

DAVID FIELD,
Harepath Road, Seaton

Every shop counts in helping Seaton

■ SEVERAL weeks ago I wrote about the shop and cafe open hours in Seaton. The whole point of the letter was to open up debate, and it certainly has!

Don't get me wrong, we love this town - we wouldn't have moved here several years ago if we didn't. The town is certainly on the up, with new business and restaurants opening, and new exciting town enhancement schemes in the pipeline.

The new Artisan Market was excellent. All these new things will encourage visitors to the town, and enhance residents' enjoyment of the town. But the town does need its traders on-side.

I appreciate that we have some excellent retailers in the town with excellent goods on sale, and quite a few

do operate decent opening hours, but to a visitor, when they see several interesting shops closed, it does limit the time they stay in the town centre, especially in the summer season.

There aren't many shops in the town centre, so every one counts.

I say thank you and applaud the traders who provide a great service to visitors and residents, so come on the part timers, you really can help the town in its way forward!

R. BUCKLEY,
Seaton

Farmers' Market: use it or lose it!

■ THOSE of us who use the monthly Farmers' Market in the Town Hall, Seaton, would be very sad indeed to see it close.

I was alerted to this possibility on my visit to last month's market. It is the usual "use it or lose it" situation and I do wonder why so few people shop there, given that the population of Seaton is quite large.

It is also in a Catch 22 situation with the less people that go, the less stalls there are, then less people go. Some suggest the prices are too high but it is so valuable

being able to buy direct from the grower and to know where our food comes from.

The farmers work so hard to bring us fresh food we really could be appreciating this facility more. For everyone's sake, do give it a go.

Thank you very much.

HILARY ARNOLD,
Seaton

Thanks to Seaton's Mad Hatters

■ A HUGE thank you to all the "mad hatters" in Seaton's Voice.

We've just returned from yet another pleasant holiday in Seaton and would like to thank Seaton's Voice for all their hard work in organising the Mad Hatter's Tea Party. It was fun for all and free.

It was marvellous to see so many committed and

enthusiastic people dedicating their time and efforts in putting together such a smashing event!

What a perfect venue in Windsor gardens. Thank you again for making our stay in Seaton extra special!

Generosity never ceases to amaze

■ CAN I please thank Philip Powell, his family and friends for raising over £2,600 on August 18th?

They kindly donated this money to Cancer Research UK and Hospiscare. It never ceases to amaze me how generous people in the Axminster and district area are. The money donated is very much appreciated and is essential to provide support for patients and their family when illness strikes.

On behalf of Hospiscare I would like to say a very

big thank you for all the support we receive from everyone. With the present financial position we need to raise money more than ever if we are to continue to help patients.

System upgrade will cause delays at medical practice

■ WE WOULD be grateful if you could advise your readers that the Axminster Medical Practice will be changing clinical computer systems in September.

We have been using our current clinical system since 1990, and it is no longer fit for purpose.

The new system will benefit patients in the long term, with improved recall processes, and faster receipt of their results and other correspondence from the hospital.

However, there will be a degree of disruption and computer downtime during the implementation, and we would like to apologise in

advance for any inconvenience this may cause.

We would like to reassure all patients that, if they are unwell, they can still be seen in the normal way, but we would ask patients to bear in mind the following:

● From September 19th-27th we will only be seeing patients who have emergency or acute problems, which will only be bookable on the day by phoning the surgery in the normal way.

During this time we would ask that patients don't try to book an appointment for non-urgent problems, for example medication re-

views.

● From September 30th onwards normal booking can resume, but we would be grateful if patients would bear in mind that we will have a backlog to clear.

We are employing extra GPs to help with this, and we would be very grateful if patients would consider seeing them if the wait to see their own GP is too long.

We are grateful to our patients for their understanding and patience throughout this transition.

Dr PHIL TAYLOR,
On behalf of Axminster
Medical Practice

MARION Cochrane of Kilmington Baptist Church and currently chairman of Axminster Churches Together writes:

"At the Devon Churches Together Forum in Yealmpton an inspiring talk on a tree showed a pattern of our unity.

The root - God the Father, the bole - Jesus, the trunk - Christianity, the main branches as the denominations and small branches activities as in Axminster Churches Together. Finally, the leaves, our individual lives, developing and growing from bud to full leaf, then dropping off and dying, to fall into the ground and nourish the next generation.

Devon Churches Together, under the new leadership, is similarly regenerating. The business session revealed new life being fostered by the hard-working Enabling Team.

"We enjoyed questions and answers over a sumptuous cream tea served by local ladies, and left feeling the tree of unity in Devon will flourish."

The Prince of Wales has just become the first member of the royal family to attend the installation of a new Chief Rabbi, and it is also a first for such in this column. The service was at St John's Wood Synagogue in North London and marked a watershed in British inter-faith relations. Christian and Muslim leaders and politicians with differing views on the Middle East were present.

With summer holidays over, the first of many busy weeks arrives, often with carnival events, which this week sees Colyton Carnival in full swing with the Grand Procession on Saturday, September 14th and

Carnival Songs of Praise at St Andrew's Church at 2.30pm on Sunday.

Prior to this, BBC's "Antiques Roadshow" will be at Exeter Cathedral on Thursday, September 12th from 9.30am to 4.30pm.

Colyton Methodist Church Prayer fellowship will meet on September 13th followed by coffee. A Harvest Festival follows on Sunday, September 15th at 11am.

The Minster Church at Axminster has a Flower Festival from September 19th to 22nd, the theme of which is "Flowers in Verse", ending with Songs of Praise at 6.30pm on the last day.

Their Lunchtime Concert series continues at 12.30pm every Thursday until October 17th, followed by lunches.

Colyton Methodist Church Prayer Fellowship will meet on September 13th with coffee after. A Harvest Festival follows on Sunday, September 15th at 11am.

Moving West, Buckerell has a Harvest Festival on Sunday, September 29th at 6.30pm with supper and auction to follow. Looking well ahead - November 22nd is Take Over Day when organisations are encouraged to allow children and young people to take over for a day. Now's the time to float the idea within local churches. Could children take over the role of vicar/worship leader/preacher/editor of the magazine?

All the information from the Office of the Children's Commissioner can be found at <http://bit.ly/1a9JT7A>. Are church leaders of tomorrow in a local church now?

Rachel Rendell is a healer and psychic medium who lives in Axminster.

She has been running meditation groups and workshops in the town since 2004, and recently released her first meditation CD.

● HAVE you always worked as a healer and psychic medium?

I have worked as a healer and psychic medium since 2003. It was the same year that I started working as a kitchen and bathroom designer, which I still do today. Before that I worked in various departments for Axminster Tool Centre and prior to that I was a checkout supervisor for the local Co-op in Axminster.

● WHAT does healing involve?

A crystal healing session usually lasts about 45 minutes. The client remains fully clothed and lays on the couch. Then, using my intuition, I choose crystals and place them around the body and use my pendulum to release areas of tension and disease. The client usually feels an intense feeling of calm and maybe warmth and tingling as the crystals work with the body, helping to realign the body's energies.

A Reiki healing session also lasts about 45 minutes. I tune in to the universal life force energy called Reiki to channel the energy through the palms of my hands, to the parts of the body where it is needed. The client may feel warm, sleepy and relaxed and enveloped in love.

● IF there is such a thing as a typical working day for you, what does it look like?

When working as a healer and medium a typical day for me would be seeing clients throughout the day and, in between, work on writing for the meditation workshops that I run, organising my advertising and arranging content for

the psychic development and meditation groups.

A day working in the kitchen/bathroom showroom, I would be designing kitchens/bathrooms or visiting customers' homes to measure the kitchens. I see a client most evenings for a clairvoyant reading or healing in the evening.

● WHICH schools and colleges did you attend?

I went to the Axminster Secondary School. Some years later I gained my Crystal Healing with Stonebridge College in Bude.

● WHAT was your favourite subject, and why?

I can't say I had a favourite subject at school because I never really liked it but when I studied Crystal Healing it woke something up in me that I loved. I gained so much knowledge mentally and intuitively.

● YOU live in Axminster, what do you like and dislike about the town?

I love Axminster because the people here always return a smile or a good morning. It's not like the city where people don't make eye contact. Everyone knows someone in the town and we all look out for one another. I have really had to think hard about what I don't like but with rail links to the city, the beach less than ten minutes away and the woods and country all around I couldn't find anything to dislike.

60 seconds

● DO you have any hobbies?

I love to meditate, read, spend time with my children and granddaughter. If I get time I like to walk in the countryside.

● WHERE do you like to holiday, and why?

St Ives in Cornwall because the air is so pure, the light is wonderful, the people are friendly and I feel at peace and free when I go there.

● WHICH television programmes do you regularly watch?

I don't tend to watch television. Maybe the evening news while I am eating my meal but I don't like it or have much time for it really.

● FROM a professional point of view, how would you like your career to be in 10 years' time?

I am going to own a crystal shop and run a meditation retreat along side my therapies and clairvoyant readings. I have just released my first meditation CD and have ideas for many more. I also do clairvoyant demonstrations and would love to be doing a lot more on a regular basis. I love to work with people and feel very privileged to be able to work so closely with the spirit world.

GAS SAFETY WEEK

16th - 22nd September 2013 *Raise awareness of gas safety and the importance of taking care of your gas appliances*

KEEP YOUR HOME SAFE

BADLY fitted and poorly serviced gas cookers, fires and boilers can put you at risk from carbon monoxide poisoning, gas leaks, fires and explosions. Just like you get your car MOT every year, you should have your home gas safety checked every year by a Gas Safe registered engineer.

- ✓ **Check your gas appliances every year**
- ✓ **Check your engineer is Gas Safe registered**
- ✓ **Check your engineer's Gas Safe ID card**

WHAT IS GAS SAFETY WEEK?

Gas Safety Week is an annual safety week to raise awareness of gas safety and the importance of taking care of your gas appliances. It is co-ordinated by Gas Safe Register with support from the gas industry including retailers, manufacturers, consumer bodies and the public.

TWENTY one million households in United Kingdom, Isle of Man and Guernsey use gas for heating, hot water and cooking, yet we take it for granted that our boilers, cookers and gas fires are safe. Badly fitted and poorly serviced gas appliances can cause gas leaks, fires, explosions and carbon monoxide poisoning.

DID YOU KNOW?

Every year thousands of people across the UK are diagnosed with carbon monoxide poisoning. It is a highly poisonous gas. You can't see it, taste it or smell it, but it can kill quickly with no warning.

Gas Safe Register estimate that there are a

hard core of around 7,500 illegal gas fitters operating across the UK and up to 250,000 illegal gas jobs may be carried out each year (Gas Safe Register Research 2009).

Although there is awareness that gas appliances need to be safety checked annually, 43% of Britons don't do it, and 10% have gas appliances which have never been checked (Gas Safety Week Research 2011).

This year sees the third Gas Safety Week taking place, from 16th – 22nd September 2013. With national advertising, media coverage and events throughout the week, gas safety messages reach far and wide right at the start of heating season.

TOP TIPS TO STAY GAS SAFE

We rely on our gas boilers, cookers and fires to keep warm, have hot baths and showers and cook hot meals. It's important that gas appliances are safety checked every year and regularly serviced to help keep us safe and prevent them from breaking down when we need them the most.

STAY GAS SAFE IN YOUR HOME WITH THESE TOP TIPS:

1. Always use a Gas Safe registered engineer to fit, fix and service gas appliances in your home – it's the law and will help keep you safe.
2. Always ask to see an engineers Gas Safe Register ID card and check the back of the card to ensure they are qualified to carry out the specific type of gas work you need.
3. Have all your gas appliances, including boilers, gas cookers and gas fires, safety checked every year.
4. Find a Gas Safe registered engineer in your area or call the free helpline on 0800 408 5500.
5. Unsafe gas appliances can put you at risk of carbon monoxide poisoning, gas leaks, fires and explosions, Recognise the symptoms of carbon monoxide poisoning – headaches, dizziness, nausea, breathlessness, collapse and loss of consciousness.
6. Check gas appliances for warning signs that they are not working properly e.g. lazy yellow flames instead of crisp blue ones, black marks or stains on or around the appliance and too much condensation in the room.
7. Buy an audible carbon monoxide alarm for your home and make sure it is located near to your gas appliances in accordance with the manufacturer's guidance. Carbon monoxide can leak from appliances and kill.
8. Only use gas appliances for their intended purpose e.g. don't use a gas oven to heat a room or use a gas barbeque inside the house.

9. Always ensure there is enough ventilation for your gas appliances to allow them to burn correctly and make sure you are not blocking any air vents that provide an air supply to the gas appliance.

10. Anybody working with gas has to be Gas Safe registered by law. Report someone working without registration or call Gas Safe Register on the free phone number 0800 408 5500.

GAS SAFETY WEEK

16th - 22nd September 2013 *Raise awareness of gas safety and the importance of taking care of your gas appliances*

GAS SAFE REGISTER IS THE OFFICIAL REGISTER FOR GAS SAFETY

We're the official list of gas engineers who are registered to work safely and legally on boilers, cookers, fires and all other gas appliances.

GAS Safe Register is the official gas registration body for the United Kingdom, Isle of Man and Guernsey, appointed by the relevant Health and Safety Authority for each area. By law all gas engineers must be on the Gas Safe Register. Gas Safe Register replaced CORGI as the gas registration body in Great Britain and Isle of Man on 1 April 2009 and Northern Ireland and Guernsey on 1 April 2010.

WHAT DOES GAS SAFE REGISTER DO?

The main focus of the Register is on improving and maintaining gas safety to the highest standards. We make sure all gas engineers on the Register, over 125,000, are qualified to work with gas.

We work to protect the public from unsafe gas work through;

- A dedicated national investigations team tracking down individuals working illegally.
- Regular inspections of Gas Safe registered engineers.
- Educating consumers and raising awareness of gas safety.
- Investigating reports of unsafe gas work.

Gas Safe Register is here to help keep you and your family safe.

WHO RUNS GAS SAFE REGISTER?

Gas Safe Register is run by Capita Gas Registration and Ancillary Services Limited, a division of Capita Plc.

ALWAYS USE A GAS SAFE REGISTERED ENGINEER

If you are having gas work done in your home or workplace you should only use a Gas Safe registered engineer.

FIND A GAS SAFE REGISTERED ENGINEER

You should use a Gas Safe registered engineer to carry out gas work safely and legally in your home. Find a Gas Safe registered business in your area using the panel on the right of this page.

You can find a Gas Safe registered business on our database 24 hours a day, 7 days a week.

CHECK THAT YOUR ENGINEER IS GAS SAFE REGISTERED

All gas engineers should be registered with Gas Safe Register by law to work with gas. Always check a gas engineer is on the register before employing them to carry out work for you. And when your engineer arrives on your doorstep, always ask to see their Gas Safe Register ID card before letting them in.

You can check a Gas Safe registered engineer 24 hours a day, 7 days a week.

WHAT GAS WORK NEEDS TO BE DONE BY A REGISTERED ENGINEER?

All gas work carried out in your home and in certain commercial premises should be done by a Gas Safe registered engineer. Gas work includes:

- Installing, repairing or servicing a gas boiler.
- Installing or repairing a gas fire, gas cooker or hob.

Not all gas engineers are qualified to do all types of gas work. Check what type of work your gas engineer is qualified to do.

WHAT ABOUT DIY?

Never DIY with gas. You will be putting yourself and your family in serious danger from carbon monoxide poisoning and gas explosions.

ARE YOU A LANDLORD?

If you are a landlord you have legal obligations when it comes to gas safety.

Landlords' legal duties apply to a wide range of accommodation including:

- Residential premises provided for rent by local authorities, housing associations, private sector landlords, housing co-operatives, hostels.
- Rooms let in bed-sit accommodation, private households, bed and breakfast accommodation and hotels.

- Rented holiday accommodation such as chalets, cottages, flats, caravans and narrow boats on inland waterways.

ARE YOU A TENANT?

If you are renting a property it is important that you understand your Landlord's gas safety responsibilities.

These apply whether you are in public or private rented accommodation, or if you rent a holiday property.

IS YOUR GAS ENGINEER QUALIFIED TO WORK ON YOUR GAS APPLIANCES?

All gas engineers on the Gas Safe Register are legal & qualified to work on gas.

USING a Gas Safe registered engineer is the only way to make sure your gas appliances are safe.

WHAT IS A GAS SAFE REGISTERED ENGINEER?

A Gas Safe registered engineer has been checked to make sure they are competent and qualified to work safely and legally with gas.

To find a gas engineer in your area you can use our find a Gas Safe registered business service online or call 0800 408 5500.

HOW DO I KNOW MY GAS ENGINEER IS QUALIFIED TO DO THE WORK?

Gas engineers will often have a range of qualifications that allow them to carry out specific types of gas work. It's important to check what work they are qualified to do before you use them. You can find this information using our check an engineer

service and by looking on the back of their Gas Safe Register ID card.

Every gas engineer carries a Gas Safe Register ID card with their own unique licence number, showing the type of gas work they are qualified to do. Before any gas work is carried out, always make sure you ask to see their Gas Safe Register ID card.

WHY DO I NEED TO MAKE SURE MY GAS ENGINEER IS ON THE GAS SAFE REGISTER?

It's all about safety. If someone other than a Gas Safe registered engineer does the gas

work in your home, you could be risking the safety of your family and your property. Badly fitted and poorly serviced gas appliances can cause gas leaks, fires, explosions and carbon monoxide poisoning.

Looking to the future

Musbury Primary School is looking to the future after some testing times.

The school could still face closure because of low pupil numbers - but everyone connected with the school is determined to keep it open.

Devon County Council is consulting on the school's future and a decision is expected early next year.

Acting school leader John Mont-

gomery is on secondment from Sidmouth Primary School and has a vision for the school that goes: "Learn from the past, delight in the present and prepare for the future."

He said: "We are making sure school is fun, that every child is looked after and gets a good quality education."

The school currently has eight pupils but a number of parents have been booked in for

a tour of the school with a view to move their children there.

Chairman of governors Rupert Butler said: "We hit a low but it is all getting better every day."

"We are very grateful for the county's support and it is an exciting time to be a governor."

Bend me, shape me

***Amen Corner founder member
Andy Fairweather Low joins
Kiki Dee and Martin Barre for
special season of music in
Budleigh Salterton
See page 24***

Kiki Dee, Andy Fairweather Low, Martin Barre and The Albion Band all set for Budleigh!

An exciting and varied programme of musical events at Budleigh's Public Hall this autumn offers something for all tastes.

WITH one of the loveliest voices in popular music, Kiki Dee, accompanied by guitar virtuoso Carmelo

Luggeri, performs an eclectic selection of favourite covers, recent album tracks plus the familiar hits such as Amoureuse, I've got the music in me, Star and Don't go breakin' my heart, on Saturday, October 5th in Budleigh Salterton.

On Sunday, October 27th founder member of Cardiff-based Amen Corner, Andy Fairweather Low and his band the Low Riders, perform hits from the band's back catalogue such as Bend Me, Shape Me, High in the Sky, and (If Paradise is) half as nice, songs from his A&M period such as Reggae Tune, La Booga Rooga and the pop classic, Wide-eyed and legless, the big Christmas hit of 1975, plus some

Martin Barre

favourite blues, gospel, rock and country classics. A busy musician, Andy plays with Bill Wyman's Rhythm Kings, performing with them at this year's Glastonbury Festival. He also tours regularly with Eric Clapton.

Recently he has been recording background guitar/vocals for compatriot Tom Jones, toured France with Procul Harum keyboard-man Gary Brooker and tours Japan in September.

On Sunday, November 10th guitar legend Martin Barre brings his 6-piece band to the venue.

Lead guitar with Jethro Tull for 44 years, Martin's distinctive playing has been a major factor in their long and successful career, which has produced album sales exceeding 60 million units worldwide.

Martin's playing on Aqualung earned him many plaudits while his work on the album Crest of a Nave earned him a Grammy in 1988.

Martin has worked with many artists including Paul McCartney, Phil Collins, Gary Moore, Jo Bonamassa and Mark Knopfler, but with Tull currently on sabbatical, Martin's band plays a mix of his favourite blues and rock standards, seasoned with classic tracks from the Tull catalogue - some not performed for many years.

Lastly, on Sunday, December 15th, The Albion Christmas Band, comprising Fairport Convention originals Ashley Hutchings (bass/vocals) and Simon Nicol (guitar/vocals) teamed with the lovely Kellie While (guitar/vocals) and Simon Care (melodeon/vocals/egg-dance) bring their seasonal show of songs, tunes, readings and yuletide merriment.

A Bar and food is available at all the above gigs.

For tickets to any of the shows call 07891 663044 or 01395 443419 (cards accepted).

Gallery changes its face for intoLACE

THELMA Hulbert Gallery (THG) is making preparations for their exciting Autumnal show intoLACE – a collaborative exhibition with the Devon Guild of Craftsmen. They will be bringing together artists whose work references lace.

The show includes pieces from the Bluestockings series by artist Catherine Bertola who has also shown at the V&A. Other makers in the show include Imogen Luddy's transformation of everyday objects such as cake stands with lace details and Helen Snell's 3-dimensional lasercut lace images.

Artist Andrea Stokes has been invited to create a remarkable installation at the gallery as part of

intoLACE. Each of the 12 Georgian windows of the gallery will be covered with a lace drawing as if swathed with a net curtain. It will incorporate designs from traditional Honiton lace – a craft the town has been renowned for since the 17th century. It will be traced with the help of a team of 25 local women at a two day event.

Gallery Curator Angela Blackwell explained: "We have such fantastic local lace heritage in Honiton. THG is really proud to showcase National and South West makers referencing lace in their work to highlight local lace-making and take it to a contemporary audience."

Experienced lace makers from

Allhallows Museum, Honiton will be based at the gallery during the exhibition to showcase their extraordinary lace-making skills, reinforcing the importance of keeping the skill alive in the 21st Century.

The exhibition 'intoLACE - An exhibition of artist-makers whose work references lace' runs from September 14th - November 2nd at the Thelma Hulbert Gallery, and also from September 13th - November 3rd at Devon Guild of Craftsmen, Bovey Tracey, Devon.

Admission is free but donations welcomed. All donations help to support the THG learning and exhibition programme.

Botanical paintings exhibition at The Bomb Shelter

THE second of two linked exhibitions at The Bomb Shelter, Beer, which features the botanical paintings of Rosemary Sargent takes place from this Saturday (September 14th) to Saturday, September 21st.

Roe has always had a love of flowers and been particularly interested in wild flowers. When she had the opportunity to create her own garden from scratch she was able to indulge this interest, and is now able to use all these flowers for her paintings. Most of her plants have been grown from collected seed gathered on holidays or from friends.

Through her painting Roe tries to convey what the flower means to her. Roe explains "I use watercolour because I love its translucency and the delicacy which is achievable with it. I am very aware of the texture and pattern within flowers and the subtlety of colour and tone."

Roe has exhibited in various galleries over the South West and later this year will be exhibiting at Rosemoor, The Royal Horticulture Society Garden in North Devon. She is very happy to undertake commissions.

The exhibition, located off Fore Street, Beer, between Jimmy Green's Surf Shop and the Seafood Platter, is open daily from 10am to 5pm daily, and further details can be had from rosemary.sargent@btinternet.com or 01823 351864

Pulman's PropertyView™

Frank Property is three years old! And unlike most toddlers we're not making a mess!

A **THIRD** birthday makes you very young indeed, right? Well yes, it does, unless you're an estate agent that opened at a time of severe economic downturn and uncertainty.

Sadly, it's no secret that many new businesses fail within their first year, so we are especially thrilled to wish our Frank (property) a happy and prosperous third birthday.

We are now managing nearly fifty properties and are continuing to grow each and every week.

But we cannot take all the credit. It is thanks to Frank's wonderful and supportive parents, our loyal and fantastic customers – old and new, that he is now growing into a strapping lad. Any business is only as strong as its reputation and we have been overwhelmed by the

positive feedback from our customers. Repeat custom and word of mouth have played a vital role in the development of our business; we certainly wouldn't be celebrating three years without you, so thank you.

Frank was born out of a need for an estate agency built on the solid foundations of trust, honesty and transparency. This was at the core of everything we did three years ago and everything we do now. No gimmicks. No false promises. No hidden costs. We believe this ethos, as well as our customers, has carried us through these first few years.

And let us not forget how lucky we are to be raising our Frank in the lovely and developing town of Seaton. It has been truly satisfying to be a new agent in a place of re-

generation and growing reputation. News continues to filter through of exciting new plans for the town. We are seeing investment buyers, more first time buyers and those looking to relocate.

Of course no birthday is complete without a party and a slice of cake. We welcome you to join us for a celebration on Wednesday 11th September. Please come by the office between 3 and 5pm for some tea and cake. We look forward to seeing you.

In the meantime, if you are thinking of buying or selling or would like some more information about our services please visit our website, drop by or give us a ring.

CHAMPIONHOLMES is pleased to offer a detached five bedroom farmhouse in a semi-rural location on the edge of Musbury village, Unfurnished, for £1,300 per calendar month, with character features. The front Porch and door leads into the Entrance Hall, with flagstone floor with doors off to the Store or Boot room, Cloakroom with WC and wash hand basin, Utility Room with space and plumbing for washing machine and tumble dryer. The kitchen / Breakfast Room, with window / window seat to the front aspect, again with flagstone floor, incorporates brick-built housing areas for storage and a dishwasher, has a solid granite work surface over, and incorporates a gas 'Alfa' range style cooker, which also supplies the gas heating for the property. From the kitchen a step up and doorway leads into the Dining / Sun Room – this has windows to the front and side aspects, with a door leading to the front garden.

The Living Room has a flagstone floor, exposed beamed ceiling and a window to the front aspect. An inglenook fireplace gives a focal point to this room and incorporates a woodburning stove with a small log store to the side. A door from the living room into the inner hall, with original cream and terracotta tiled floor, gives access to the Annex side of the property and also has stairs to the first floor of the farmhouse. From this hall a further door leads into another Sun room / Office, with flagstone floor and glazed to two aspects, with a door to the front garden.

The first floor Landing to the farmhouse has doors to bedroom One, a small double, has a window to the front aspect and a beamed wall. Bedroom Two, a double size room, again has a window to the front aspect, and has an ornamental cast-iron fireplace as a focal point. The room has a walk-in wardrobe and a store cupboard under the stairs – the stairs lead up to an attic 'Den' – great for a teenager! The Victorian style family bathroom, with tiled floor, has an ornate pedestal wash hand basin and WC and a free-standing bath which incorporates

a brass effect Victorian shower / shower rail over. A small Sauna room gives added luxury. Bedroom Three, the main bedroom, is a large double size room with a beamed vaulted ceiling. The double aspect windows have wooden shutters, with the window to the front aspect having a window seat with comfy cushions.

The additional Annex to this property could equally form part of the farmhouse, or could be used as independent accommodation for a family member. From the inner hall of the farmhouse, a door leads to a short passage, with a door off to the Living Room with exposed beamed ceiling and a window to the front aspect. An inglenook fireplace gives a focal point to this room and incorporates a woodburning stove. A further door leads into the Kitchen / Breakfast Room, again with a beamed ceiling. This good sized room has windows to the rear and side aspects and has some fitted units and space for a free-standing electric cooker. Stairs from the passage lead up to the first floor Landing, with doors to the Shower Room, with wash basin and WC and a shower cubicle with an electric shower. BEER – £295,000

FORTNAM
SMITH & BANWELL

BEACH Court was originally built in 1903 and we are advised it was used as a holiday home for the renowned opera singer Dame Clara Butt. In 1918 we believe the property was sold and used as an hotel and the master bedroom in this property was used as the 'honeymoon suite'. In the 1990's the whole property was converted into its current use with 3 cottages and 3 apartments.

The property is ideally situated right in the heart of the beautiful village of Beer within a stones throw of the beach and amenities and enjoys lovely sea views.

A particular feature of the property is the charming antique glass leaded light and decorative glazed windows in the lounge/dining room which were painstakingly restored in

2003. There are high ceilings throughout and many character features still remain, including window seats and some Beer Stone windows.

The present owner has used the property for holiday use but would equally suit a permanent home. The property is well presented throughout with a shower room which was updated last year and we understand that roof tiles were replaced and repaired where necessary recently.

This cottage must be viewed internally to be truly appreciated. EPC Rating F.

**SPOTLIGHT ON MY SERVICE****Rachel Rendell Healer and Psychic Medium**

I am a psychic medium and run several development and meditation groups. I was attuned to Reiki and qualified as a Crystal healer in 2003. Connect with your loved ones in a private reading. My reading for you will bring precisely what is needed in your life right now. I link with my guides who bring through your friends or relatives in the spirit world. I give a clear reading helping you to become aware of the options and general direction you could take in your life. When healing I work on all levels, physical & emotional alike, clearing blockages and re-aligning the Chakras. I work very much with my intuition as I believe that just like each and every one of us has our own unique energy, so crystals have their own.

All-new Mazda6 scores 5-star Euro Pp safety rating

- All-new Mazda6 saloon and tourer achieve top scores in Euro NCAP crash safety tests
- SKYACTIV-equipped Mazda6 praised for combination of active and passive safety
- Mazda6 is the fourth Mazda since 2009 to attain Europe's top safety rating

THE ALL-new Mazda6 is officially one of the safest cars on the road in Britain after receiving a 5-Star safety rating in the latest Euro NCAP tests, the highest rating possible. The result endorses Mazda's strategy of enhancing the safety of all its new vehicles by introducing such innovations as the impact-absorbing SKYACTIV-Body technology.

Both the Mazda6 saloon and tourer scored top marks in all four Euro NCAP categories after undergoing several crash tests. The scores achieved by the all-new Mazda6 were adult occupant protection (92%), child occupant protection (77%), and safety assist systems (81%) – comfortably above the 80%, 60% and 65% thresholds in these categories required to collect a 5-Star rating overall. The all-new Mazda6 also scored 66% for pedestrian safety, one the best marks in Europe among vehicles tested this year.

"While the all-new Mazda6 is more powerful and more fuel efficient than ever before, thanks to its SKYACTIV technology, it is

also lighter and stronger, featuring ultra-high tensile steel and other innovations which reinforce the body's structures and its passive safety performance. This is underpinned by our range of driver-supporting active safety

technology which helps prevent accidents in the first place and reduce their severity should one be unavoidable," comments Jeremy Thomson, Managing Director, Mazda UK.

All-new Mazda6 is the fourth Mazda to have earned a 5-Star rating from Euro NCAP under the stringent new scoring system introduced in 2009, joining the previous generation Mazda6, the current Mazda3 and the new Mazda CX-5. The all-new Mazda6 is well-prepared for the future.

All-new Mazda6 now available with 5.9% APR representative and £1,500 deposit contribution

- New Mazda finance 'deposit contribution' increased to £1,500 on all-new Mazda6 models
- All-new Mazda6 saloon and tourer now 'more accessible to more people'
- All-new Mazda6 delivers economy up to 67.3mpg and emissions as low as 108g/km

THROUGHOUT September, the multi-award winning all-new Mazda6 Saloon and Tourer will be available with a £1,500 deposit contribution when customers buy their new car with 5.9% APR representative finance with Mazda Financial Services.

Until the end of September, it will be possible to drive away a brand new Mazda6 purchased with the new PCP finance package which is available with no minimum deposit, 5.9% APR* representative finance, £1,500 deposit contribution and repayment periods of up to 42 months.

"Throughout the year's peak sales month, with its new 63-Plate, we want to make the exciting all-new Mazda6 more accessible to more people. For anyone

considering purchasing an all-new Mazda6, September is a good time to take advantage of our great new offers," comments Peter Allibon, Sales Director, Mazda UK.

"With our latest finance on all-new Mazda6, the Mazda PCP offer has no upfront payment requirement, just 42 monthly payments, with a single final payment, or a variety of other options, at the end of the contract," adds Allibon.

The all-new Mazda6 is Mazda's second sixth-generation model, following the Mazda CX-5 compact SUV, and delivers class-leading performance and economy thanks to its innovative SKYACTIV technology and smooth aerodynamics reflecting its

KODO-Soul of Motion design language.

Since its launch in January, the all-new Mazda6 has won a host of awards including: 'Best Large Family Car' (saloon) and 'Best Estate Car' (tourer) – from the influential website CarBuyer, which is linked to the weekly Auto Express magazine.

"The all-new Mazda6 delivers an unbeatable combination of power and performance, low emissions (from 108g/km) and fuel economy (up to 67.3mpg) plus, customer can benefit from zero-rate Road Fund Licence on the majority of all-new Mazda6 models for the first year* or from just £20 per year thereafter – placing it as one of the most competitive cars its segment. Customers can now enjoy top-notch diesel performance with class-leading emissions and excellent fuel economy, without resorting to the smaller engine displacements of some rivals, enabling us to retain the fun-to-drive characteristics typical of the Mazda brand," concludes Allibon.

All-new Mazda6 buyers are offered a choice of 36 saloon and tourer models with three equipment levels (SE, SE-L and Sport – with or without Satellite Navigation) and four high-efficiency SKYACTIV diesel and petrol powertrains. Prices range from £19,595 to £28,295 (on-the-road).

The new Caddy Bluemotion

VOLKSWAGEN Commercial Vehicles' Caddy is available in a number of different versions and with different engines, and this variety is a key reason for its success. Now, a very fuel-efficient version is being added: the new Caddy BlueMotion is the most fuel-efficient Caddy ever with a low fuel consumption of 4.5 litres per 100 km (62.8 mpg).

At the heart of the new Caddy BlueMotion is the familiar 1.6-litre TDI with common rail direct injection and 75 kW / 102 PS which has a maximum torque of 250 Newton metres. Compared to the already very fuel-efficient Caddy 1.6-litre TDI with BlueMotion Technology, fuel consumption was further reduced by 0.5 litres per 100 km. Compared to the Caddy without fuel-saving technology, it is a full 1.1 litres per 100 km better. As a result, the commercial version of the versatile urban delivery vehicle consumes just 4.5 litres per 100 km, which equates to 117 g/km of CO₂. Values for the passenger-carrying version are 4.6 litres and 119 g/km. Thanks to its 60 litre fuel tank, the Caddy BlueMotion therefore has a theoretical range of over 1,300 km (over 800 miles).

The vehicle's low fuel consumption values were made possible by a combination of aerodynamic and engineering measures such as an engine stop-start function, low rolling resistance tyres, recovery of braking energy (battery regeneration), ride height lowered by 27 mm and efficient engine control.

A Caddy BlueMotion with a short wheelbase is available in four equipment versions: as a panel van and kombi as well as in passenger-carrying versions.

The Caddy BlueMotion can be distinguished by a badge at the rear, its lower ride height, special full wheel covers and painted side guard strips. Equipment features such as standard hill hold assist, cruise control system, exclusive seat upholstery and air vent surrounds in high-gloss black (passenger version) are all standard.

Ford maintains market-leading pace into key September sales month

FORD has been building sales momentum through 2013, with the latest results for August stretching its market lead and increasing total vehicle sales and share. This puts Ford in pole position heading into September, when sales increase significantly due to the registration plate change.

According to the official sales figures from the Society of Motor Manufacturers and Traders

(SMMT):

- Ford total vehicle sales and share increased in August and for the year to date
- Ford Fiesta tops the sales charts in August and for the year to date
- Ford Transit is the UK's third best-selling vehicle, ahead of most cars
- Ford retail car sales and share up in August and for the year

to date

- Ford commercial vehicle sales and share up in August and for the year to date.

Mark Ovenden, Ford of Britain chairman and managing director, said: "Industry sales have grown by over 10 per cent in the UK this year and Ford sales are ahead of this overall market growth. It is significant that private customers have driven up our share of more prof-

itable retail sales, which account for a higher proportion of registrations in the important September sales month."

UK car sales are expected to total 390,000 in September, which, combined with the other registration plate change month in March, will account for more than a third of annual UK sales.

The official figures released by the SMMT today show that total UK car sales in August were up 10.9 per cent at 65,937, compared with August 2012. Ford car sales of 8,940 were up from 8,094 in August 2012. For the year to date (end August) total UK car sales were 1,391,788 up 10.4 per cent compared with 2012, while Ford car sales for this period were 197,933, up 11.8 per cent from 176,999 for the same period in 2012.

Ford's share of retail car sales in August was up 0.2 percentage points at 11.3 per cent, compared with August 2012, and for the year to date retail share was up 1.3 percentage points at 13.5 per cent, compared with the same period in 2012.

Ford Fiesta was the UK best-seller in August with increased sales, compared with August 2012.

▲ The Ford Transit Custom is the latest Transit model

An indicator of how sales in August are affected by the proximity of September was the Ford Transit's third position in overall vehicle sales, ahead of most cars and four or five places up from its normal top 10 position.

Sales success across the Ford car range in 2013 has seen the Ford Ka, Fiesta, B-MAX, Focus, C-MAX and Kuga all increase sales and share for the year to date, compared with the same period in 2012.

UK Commercial Vehicle (CV) sales in August were up 10.2 per cent, compared with August 2012,

and for the year to date were up 4.7 per cent. Total sales of Ford CVs for the year to date were up 5.7 per cent, from 42,382 to 44,823, and share was up from 21.9 to 22.1 per cent, compared with the same period last year.

Ford Transit leads the One Tonne, Two Tonne and 3.5-6.0 tonne CV segments, its share of the one tonne segment boosted by the introduction of the new Transit Custom and the Tourneo Custom. Ford Fiesta van also leads its segment by a clear margin, taking a 60.1 per cent share for the year to date.

Renault group, number one in Europe for low CO₂ emissions

RENAULT Group has become the European leader in terms of low CO₂ emissions based upon its sales of passenger cars over the first half of 2013. This ranking is the fruit of the rejuvenation of its range, the success of its Energy range of engines and the growth of its electric vehicle sales.

Renault Group has moved into pole position in Europe in terms of low CO₂ emissions, with an average of 115.9g of CO₂/km* per vehicle (source: AAA-DATA**) based on its passenger car sales over the first half of 2013.

Renault Group owes this performance to the recent rejuvenation of its ranges, notably including five models that return less than 100g of CO₂/km (Twingo, New Clio, Captur, Mégane and Dacia Sandero). Indeed, in the small five-seater diesel car sector, New Clio Energy dCi 90 eco² is the class leader with 83g/km. Overall, the New Renault Clio range emits 18.5g of CO₂/km less than the model's previous generation.

Meanwhile, Renault is Europe's number one brand for electric mobility, and its electric vehicle sales have also contributed significantly to the Group's low average CO₂ emissions.

Taken as a whole, the average level of CO₂ emissions per kilometre across Renault

Group's entire range has improved by nearly 10g in the first half of 2013 over 2012, falling from 125.5g/km to 115.9g/km.

"This position of market leader is proof that the combination of our powertrain strategy – with our range of Energy engines – and our electric vehicle strategy is bearing fruit. Thanks to these innovations, Renault

Group is achieving tangible results and maintaining its objective to significantly reduce the long-term environmental footprint of its activities. At the same time, these improvements are beneficial for both the planet and our customers."

(Jean-Philippe HERMINE, Director, Renault Group, Environmental Plan)

Knox the fox hits four in cup victory

MANAGERLESS HATHERLEIGH TOWN were unable to raise a side last week for their opening Premier match but sensationally put paid to East Devon Senior cup holders TIVERTON TOWN in this seasons first round.

The North Devon side won 4-3 on penalties after a 1-1 extra time finish. Mark Lake scored for Hatherleigh and Max Bristow for the yellows and it was Hatherleigh who held their nerve in the spot-kick showdown.

NEWTOWN last season beaten finalists put paid to WITHERIDGE 5-1 in their first round tie. Substitute Ralph Gill came on and scored twice after Ben Howard, Carl Lavis and an own goal had Newtown in the driving seat. Connor Stone was the Withy scorer.

Ex-Axminster Town striker Pete Knox smashed four goals for SEATON TOWN as they beat BUDLEIGH SALTERTON 6-3. Josh French and Richie Durrant also scored but Budleigh did not go down quietly with Liam Pollard getting all their goals.

HEAVITREE UNITED are through to the second round after they beat visiting ELMORE 3-1. James Callard with two goals and Sam Haggard struck for Heavitree, their first win this season.

FENITON made hard work of beating WELLINGTON 4-1, the first division side taking the lead through Nick Bull.

An own goal rescued Feniton before they wrapped it up with goals from Kieran Johnson, Charlie Selley and Danny Lewis.

THORVERTON won their mid Devon derby clash against WILLAND ROVERS 3-2, while SIDBURY UNITED beat neighbours TIPTON ST JOHN 2-0 after extra time.

ALPHINGTON made it into round two winning 4-1 at EAST BUDLEIGH, and despite giving away ground advantage BEACON KNIGHTS were 6-2 winners at CULLOMPTON RANGERS. John Gough and Max Oliver were the Rangers marksmen.

TOPSHAM TOWN won the only Premier game played 6-1 at home to bottom of the table CLYST VALLEY.

BOW AAC are back as Division one leaders following their 7-0 rout of NEWTON POPPLEFORD who seem well out of their depth at the moment. Louie Kinch 3, Will Hawking, Colin Leach and two own goals did the job for Bow.

EXMOUTH AMATEURS beat HEAVITREE UNITED 5-0 in their other first division game played.

DOLPHIN were handed a first round walkover in the Bill Slee Cup when opponents WOODBURY were unable to raise a side.

NEWTON ST CYRES won their second round tie 4-2

against NEWTOWN with Phil White and Ashley Hudd both scoring twice.

SAMPFORD PEVERELL raced into the second round of the Football Express Cup after they blitzed PRIORY 7-2. Steve Alford scored twice with the remainder from Rich Durrant, Jack Bridgman, George Muggleton, Charles Saunders and Terry Martin.

EAST BUDLEIGH won a thriller at AMORY GREEN ROVERS 5-4 and Rovers strike Darren Heale notched all four of their goals.

Back in the League BOW AAC won a cracking game against BEER ALBION in Division Five with the Jackman brothers Shane and Jamie both scoring twice.

LAPFORD enjoyed a 5-1 win against COUNTESS WEAR DYNAMOES with Dan Stapleton on target twice. Dan Tucker, Toby Parker and Jack Weekes also scored.

OTTERY ST MARY and SILVERTON repeated their 3-3 draw against each other from just a week ago in Division Six. Dave Fook, Joe Hayes and Dave Wise with a penalty scored for Silvertown.

HENRY CRONIES, the new boys in Division Seven, hit BRADINCH for six without reply.

In Division Eight WOODBURY came from a goal down to beat COLYTON 5-2, Peter Wright scoring twice.

◆ FENITON Under 16 who compete in Division One of the Exeter & District Youth League are in danger of not seeing through the final season of their youth campaign.

Affiliated to last season's winners of the Fresha Devon & Exeter League, Feniton FC, the team gained promotion from Division Two last year.

However, due to a combination of injury, other commitments and illness they find their squad this season threadbare.

They are currently looking for young players without a Saturday team who are in year 10 or 11 at school to join the team.

If you are reliable and keen to play Division One football then please contact manager Robert Brown on 07870 169140.

MILLWEY RISE 4

ILMINSTER TOWN RESERVES 1 LEVI Hoole got off to an explosive start to the season with all four goals as Millwey breezed past an under strength Ilminster Town Reserves side at Harry's Field.

Hoole scored two in the first half, and in truth could have had a hatful more as Ilminster 'keeper Josh Lee and his defenders became overrun at times.

The towering striker bagged two more after the visitors got on the score sheet with Taylor Jefferson launching a long-range effort, almost immediately from

kick-off, that sailed past Rise player-manager Matt Hall.

Meanwhile, Dan Williams bagged a brace as Farway United, back in the first division after a disastrous season in the premier, ended a 16-month wait for a league win with a 4-1 win over visiting Barrington.

Matt Williams (pen) and Dylan Gair scored the hosts' other goals.

Elsewhere, Ali Truman salvaged a point for Millwey Rise Reserves in the 1-1 draw in the east Devon derby with neighbours Hawkchurch United.

Down in division Four a John Matheson goal couldn't save Farway United Reserves from a 4-1 home defeat against Hinton Reserves. Player-manager Ross Jewell netted a hat-trick for the Saints.

Cotley clinch championships double

COTLEY Hunt Pony Club recently had two team victories at the **Pony Club National Championships**.

The Girls tetrathlon team won the intermediate girls team event held at Bishop Burton College in Yorkshire on 10th & 11th August and the Open dressage team won their team event held at Cholmondeley Castle in Cheshire on 16th-19th August.

Both events had team and individual competitors from England, Ireland, Scotland and Wales competing.

A special mention must go to Georgina Ewell who competed in both teams on the same horse.

The Cotley open dressage team members were: Jessica Gundry: Charlton Blue, Kate Sopwith: Celeste, Sophie Bengier: Killarney and Georgina Ewell: Zoretto.

Both Jessica and Georgina did extremely well achieving individual placings, both competed in the Elite class riding an advanced medium test, Georgina came 3rd and Jessica 5th, Jessica also rode in the dressage to music competition and was placed 3rd.

In the team event: Jessica won her arena, with Georgina second in her arena and Kate 7th in her arena.

Sophie Bengier also qualified Killarney as an individual for the show jumping championships where she did very well by being one of only 13 double clear rounds out of 66 starters and with a pole down in the final round she came 10th overall.

Layla Felgate, riding Ricas Moon Shadow, also represented the Cotley Pony Club at Cholmondeley Castle in the open eventing.

This was a stiff competition, Layla came 4th

■ **MORE SILVERWARE:** The Open dressage team, from left; Kate Sopwith Jessica Gundry, Sophie Bengier and Georgina Ewell

which was a brilliant result and a great credit to her and Cotley Pony club to be placed at this level.

Many thanks go to Sarah Clist the chef d'equipe who helped and organised the team all over the four days at Cholmondeley Castle.

The Cotley Intermediate Girls tetrathlon team of Mollie Hansford (16), Layla Felgate (16), Rebecca Handford (15) and Georgina Ewell (14) beat 11 teams by a huge margin of 788 points to convincingly win the Intermediate Championships.

The multi-event sport of Tetrathlon incorporates Pistol shooting, Swimming, Running and Cross Country Horse Riding.

The Girls were strong and consistent across all the phases, particularly the run where three

of them finished in the top 10. They secured their victory with four clear rides over the challenging cross-country course.

There were 105 competitors in the class, all of who had qualified to attend the Championships.

Individually, Mollie finished 2nd, Layla 5th, Rebecca 12th & Georgina 39th.

Dan Handford (18) also qualified as an Individual to compete in the Open Boys Class.

He shot well, swam a huge personal best in the pool, was 7th in the 3 km run and rode one of only five clear rounds in the whole class.

Dan finished 7th in the Senior Class of 26 Boys and now hopes to be shortlisted to represent Great Britain in Australia next year.

ON Wednesday, September 4th Seaton A won their final Over 60s Triples League game by 45-27 against second placed **Ottery St Mary A** to remain undefeated for the entire season. Top triple was Peter Newton, Ron Rowley & Alan Wood.

The B team have also done extremely well and have gained promotion.

Meanwhile, the Ladies over 50s Triples league team, with a couple of matches still to play, are holding on to second place.

The week ended with the club's Captain's Day. Although there were a few black clouds and a little rain a wonderful afternoon was enjoyed by all.

Forty eight members took to the green in the traditional game of the Captain's team verses the Vice-Captain's team.

It was a close fought contest and the Captain, Jeremy Allison declared the result a draw with Pat Whitworth our Vice-captain graciously not demanding a re-count.

fishing news

SEATON Carnival Open shore fishing competition recently took place on Seaton Beach.

Conditions for the 40 participants were good with a flat sea but there were heavy showers during the five hour match.

Most of the fish were caught during daylight with plenty of different species being captured, these were; Dogfish, Mackerel, Gurnard, Wrasse, Bass, Scad, Garfish, Thick Lip Mullet and Golden Grey Mullet.

The winner of the event would be decided by the angler that could weigh-in the best two fish of different species during the event.

At the midnight weigh-in at the Spot On Cafe kiosk, Ben Bradstock from Honiton emerged the winner.

Ben weighed-in a Thick Lip Mullet of 5lb 3oz and a Golden Grey Mullet of 11lb 12oz this gave him a total of 211%.

Runner-up was Rob Marshall who recorded a Mullet of 4lb 5oz and a Mackerel of 12oz (152%).

Third place went to Mark Wittington with a Wrasse and Dogfish combination (145%).

The junior prize for the best fish caught went to Robbie Paddick who had a Scad of 7oz (prize kindly supplied by Seaton Angling Centre)

Mike Spiller, who ran the competition on behalf of Honiton Sea Angling Club, handed over £45 to the Carnival committee after the event.

boules axe valley league

WITH just a week to go all three divisional titles are still undecided.

Division One is a straight battle between Golden Hind B and Axe Cliff A, with the latter's back match against Beer Club likely to be the deciding result.

At the bottom, Beer Club can still mathematically survive, while Royal Clarence A need a win and other results to go their way.

The Division Two title will be almost certainly be decided by who has the best result out of New Inn Flyers and Axe Cliff B. In the event of equal scores in both games, New Inn Flyers would take the title on count-back, having won both games between the two.

Kingfisher Rebels are waiting for any slip-up by the top two, as they can theoretically still win the title or take the second promotion spot.

The relegation positions are harder to judge due the number of back games still to play, but Royal Clarence B and Kingfisher A are favourites for the drop as we stand.

Division 3 is even tighter; White Hart A and Kings Jesters have both already secured promotion, but the title will again go to whoever has the best result in their final match.

If scores are equal, a play-off will be required, as both teams have identical records.

AXE VALLEY RUNNERS

with Dave Mutter

ON Wednesday evening Robin Carter travelled to Dartmoor to run in the **Sourton Tor** 3.9K fell race near Okehampton.

The race started at the Bearslake inn at Lake, after a track it enters the moor and then ascends 244metres up to Sourton Tor then back around a small valley before descending to the finish at the pub.

Robin was 3rd lady in 24:02, a fantastic race on a lovely warm evening with refreshments close by. Thanks to Okehampton for a great race, the last fell race in their summer series.

Robin would also like to remind runners of the **Yarcombe Yomp** race on Saturday, November 2nd. This is a five or 10 mile race off-road in the lovely Yarty valley.

Included in the entry fee is a lunch at the village hall. Family and friends also welcome at a small cost. Entry forms are on the AVR web site, www.axevalleyrunners.org.uk

Sun, rain, on-road, off-road, the Somerset levels and two very big hills all made for an interesting half-marathon at **Langport** on Saturday.

Graham Newton was first AVR home, and 6th overall in 1:47:33 taking the 1st male over 60 vet prize.

■ **MATT** Clist, Garry Perratt and Patrick Devine-Wright at Belstone Tor near the end of their run

Next home was Gavin Warren, who was doing really well until the last hill when he ran out of steam, but was pleased to finish 31st overall in 2:23:20.

Sue Venn also had a good run, taking the 1st over 60 female prize, finishing 36th overall, in 2:31:52.

Garry Perratt and Matt Clist, this time accompanied by Patrick Devine-Wright, repeated their **Dartmoor Crossing** on Saturday except going the other way, from south to north.

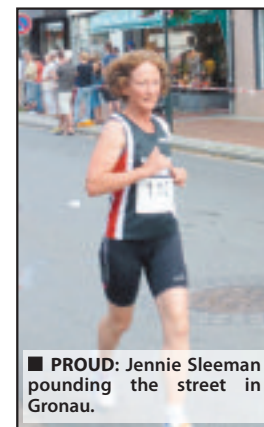

The weather was kinder than expected with the forecast heavy showers only lasting an hour or so and with a couple of small route changes it was even better than before.

They were slower than last time, taking 5:07 from the southernmost Moorgate near Ivybridge to the northernmost one at Belstone near Okehampton.

HONITON RC with Judy Davey

JENNIE Sleeman of Honiton Running Club spent a weekend in **Gronau**, Honiton's German twin town near Hanover, with Honiton twinnings recently and ran a 5K round the outskirts of the town.

It was good to represent Honiton and with a time of 24 minutes 10 seconds, first in her age category and 10th woman out of 135, Jennie felt she earned the evening

at the wine festival afterwards.

Last Sunday several Honiton runners who weren't training for the Jersey Marathon decided to head for **Powderham Castle** for a lovely 10K run through the castle, along the Exe estuary, past lots of deer and up into the woods.

It was perfect weather for running and some good times were run. Grahame Reeves was third in 39:00.

Roger Saunders was far behind in 37th place at 45:09 but still not a bad time for him as he has been recovering from injury.

Graham Rooms was just behind in 51st place at 46:27.

HONITON with Andy Wagner

MIXED SECTION

ON Sunday the Honiton players travelled to East Devon to play in a Mixed Match.

These matches are very popular and are organised by Jan & John Dickinson. The weather was fine and the course excellent. There were some very hard-fought matches with East Devon narrowly beating Honiton 6 games to 4.

A Texas Scramble was played last Tuesday due to work week. Teams of four, but with temporary greens, - and the second hole out of play - the winners with a nett 54.9 were Jan & John Dickinson, Lesley Farley and Alex Gosling.

In 2nd place with nett 55.5 were Club Vice Captain Ron Graham, Carole Booth and Jane & Mike Watts.

LADIES SECTION

TREBLE six was the format for this week's ladies competition with teams of three made up of players from all three divisions and best 3, 2 and 1 scores to count over each set of six holes.

With some temporary holes in play due to works week, you might have expected Stableford points to be hard to find, but not so for Champions-of-the-Day Liz Wood, Maris Dart & Liz Rogers who came in with 91 points.

They were followed in 2nd place by Mona Carter, Margaret Black & Majsan Stroud scoring 88 points; Olwen Eaton, Janet Hughes & Margaret Jory 3rd with 86 points; and Joan Smith, Sharon Dacre & Monica Lacy 4th with 83 points.

SENIORS SECTION

The seniors' Bowmaker attracted 66 entrants, and it was good to see some new names on the leader board.

Played in excellent conditions, the scoring was very good with the winners Keith Crane, Peter Blake & David Price scoring 88 points.

Runners-up Mike Kent, Ken Wood & David Lavender made 83, closely followed by Alan Devenney, Bob Cockett & John Pawley. The last prizes went to Dennis Calver, Rob Canterbury & Tom Tunnicliffe.

AXE CLIFF with Janet Dack

SENIORS

THE recent August Medal attracted a field of 32 members.

Included among the starters, and making his comeback after an enforced absence, was Jack Bannister (25) and he made up for lost time by recording the winning score of 68 nett.

Two shots behind and in sec-

ond place was Rob Grove (16) with a level par 70 nett, while two players returned scores of 71 with third place on count-back going to Nick Povey (19).

Mike Jamieson (25) was the player to miss out on the prizes. There was just one 2, from Norman Bowles.

Exminster were the visitors for last Tuesday's inter-club match and the team avenged the defeat suffered at Exminster a month ago by winning 4-2.

The winning pairings for Axe Cliff were Tony Strong & Peter Knighting, David Weston & Geoff Hubbard, Rob Heard & Gilbert Cox and Chris Jowett & Bill Polley.

Ladies

LAST Wednesday the ladies played for an extra Medal and also the Lorraine Cup.

This Cup can only be competed for by players who have won Medals over the past year.

The winner with a nett 70 was Lady Captain Sandra Walker thus reducing her handicap from 17 to 15.9 an excellent win. Sandra also was the Medal winner with Margaret Kenchington (22) in second place with a nett 73.

Last Wednesday the ladies were successful in their second attempt to play for the Scratch and Handicap Cups as previously they had been abandoned due to heavy sea mist.

The winner of the Scratch Cup, with a gross 84 - nett 72, was Helen Kenworthy.

The Handicap Cup was won by Alison Cook with a nett 79 beating Di Rogers also with a nett 79 on the back nine.

◆ **AXE Cliff** has a unique advantage - due to its amazing cliff top position - the grounds are self-draining.

During the last year the course has only been closed for five

■ **LOOKING GOOD:** Axe Cliff Golf Club's hill-top position certainly has it's benefits.

sailing beer luggers

THE final race of the season was sailed last Monday with the memorial trophy for the infamous 17th century local smuggler Jack Rattenbury from the up for grabs.

Nine luggers launched from the beach in ideal sailing conditions with calm sea and a moderate north-westerly wind.

There was a good start to the race with the exception of Cuckoo who broke the line too early and had to return to cross again.

The Percy Mitchell headed off in a westerly direction with the rest of the fleet heading east.

Mary was the first to the mark with Cuckoo recovering to move up to second.

Four vessels reached the windward mark at the same time and in the confusion Moondance's sail fell down!

The first round was completed with Mary ahead followed closely by Cuckoo in second and the Percy Mitchell in third.

Approaching the finishing line on the last tack with the wind still holding Cuckoo just edged ahead of the Mary and crossed the line with second to spare.

Result: 1st Cuckoo (sailed by G.Dart), 2nd Mary (D.Boalch), 3rd Percy Mitchell (K.Gosling), 4th Twilight (M.Bagwell), 5th Puffin (R.Driver), 6th Catherine (M.Diplock), 7th Scrumpy (G.Lockyer), 8th Little Wing (D.Townsend). Moondance - retired.

Winner of the Jack Rattenbury Shield, (by Handicap) was the Catherine (M.Diplock).

Vikings on top in derby

THE east Devon South-West Peninsula League division one derby game between Sidmouth Town and Axminster ended with the honours going to the Vikings who recorded a 2-0 win.

Axminster finished the game with 10 men after Leo Maguire was shown a straight red card in the 35th minute following a foul on Sidmouth winger Tony Cox who could take no further part in the match.

The hosts, who had much the better of the opening 45, broke the deadlock five minutes later when Aaron Doble netted against his former club following good work from Alex Raistrick and Andy Isaac.

In a second-half of few chances Kieran Fayter Small added a second for Sidmouth with a crisp left-footed effort from the edge of the area.

Axminster entertain early leaders Exwick Villa at Colyton Grammar School on Saturday (3pm ko).

house goal. Next up for the Tigers is a Devon Senior cup first round tie at Westex Rovers.

Seaton Town had a good day in the East Devon Senior cup beating Budleigh Salterton Reserves 6-3 in a goal-fest at Colyford Road.

Leading the line to good effect was ex-Axminster Town striker Pete Knox who scored four times with Richie Durrant and Josh French chipping in with singles.

Seaton entertain unbeaten Newtown in the D&E Premier division at the weekend.

Seaton Reserves failed to raise a side for the Football Express cup match at Mordard Bishop Reserves.

The Seasideers have no game on Saturday and will hope to use the time to regroup.

Beer Albion had no game last weekend but return to action on Saturday with a Devon Premier cup-tie away at Kingkerswell & Chelston.

The Fishermen's Reserves scored four but were still beaten - 6-4 - at Bow AAC Reserves. The team entertain Honiton Reserves at the weekend.

Colyton were also without a game - Matt Orsman's troops head off to Chudleigh for a Devon Senior cup-tie on Saturday.

Down in Division Eight Colyton Reserves opened their season with a 5-2 reverse at Woodbury 3rds.

The team are without a fixture on Saturday.

Axmouth United's promising start down in Division Four continued with an entertaining 5-3 win against visiting Sandford.

◆ OVER in the Perry Street League Levi Hoole was the star of the show with all of the goals in a deserved 4-1 win over Ilminster Town Reserves - the perfect start for new manager Matt Hall who performed between the sticks as he looks to recover from injury.

Finally, an Ali Truman goal cancelled out Carl German's own goal and earned Millwey Rise Reserves a point in the division three local-derby with Hawkchurch United.

Seaton students make the grade

SEATON Shotokan Karate students have recently taken part in an area grading at the Newton Abbott Dojo.

Robert Appleby, Sid Miller, Hatty Tremlett, Daisy and Finn Graysmark all graded to (8th kyu) red belt.

The club trains on a regular basis at the Seaton Martial Arts Centre. For more information call Sensei Jim Harvey on 07867818667 or call into the Dojo, located on Scalwell Lane.
